The proposal will be received until **12:00 Noon on September 28, 2006**, by the Board of Commissioners of Cobb County, Georgia, at the Cobb County Purchasing Department located at 1772 County Services Parkway in Marietta, Georgia. **NO PROPOSALS WILL BE ACCEPTED AFTER THE 12:00 NOON DEADLINE.** Those received late will be unopened. No submitted proposal may be withdrawn after the scheduled proposal opening time for a period of ninety (90) days.

Proposals will be opened at **2:00 p.m. on September 28, 2006, at the Cobb County Purchasing Department, 1772 County Services Parkway, Marietta, Georgia, 30008.**

The work to be done consists of the complete engineering design services for:

Project No.: D6040
Project Name: Bells Ferry Road

The project consists of a traffic study and design of intersection improvements on Bells Ferry Road along the corridor from the I-575 interchange to Cobb Parkway (US 41). Intersection improvements may include, but not be limited to, turn lanes, signal installations and/or modifications, horizontal and vertical alignments, shoulder improvements and installation of pedestrian facilities. Project will also include design of extension of the existing culvert between Chastain Road and North Booth Road.

The Consultant shall prepare concept plans, preliminary plans, right-of-way plans and final plans for all selected improvements. The Consultant shall also prepare any environmental documentation required for individual intersection improvements. The Consultant shall prepare and submit any applications necessary for permits, should encroachment onto Georgia Department of Transportation (GDOT) right-of-way be required.

The project will include design of relocations and/or adjustments of Cobb County Water System facilities.

A pre-proposal conference **will not be conducted** for this project.
